Note: Please consult with a personal banker for complete, current information on account fees, terms and conditions.

Interest Rates & Annual Percentage Yield (APY) are current as of date at top of sheet

mp.bank
MEMBER FDIC

*Interest Rate determined by monthly minimum balance

**APY = Annual Percentage Yield

¹ Some savings and money market transactions are limited by regulations.

² \$100.00 minimum to open.

³ \$500.00 minimum to open \$500.00 minimum balance required to obtain APY. Rates and APY's assume that all principal and interest remain on deposit for entire term. Penalty may be applied for early withdrawal.

⁴ Rates may change after the account is opened. Fees could reduce earnings.
