OUR STORY

KEEPING IT LOCAL

What separates us from other banks?

- 1 We're a local community bank.** When you bank with us, your money stays here and goes back to work in the local community.
- 2 We're owned by local, long-term investors.** These are your friends, neighbors and local community leaders. It's why we're not going anywhere soon.
- 3 We're invested in our local communities.** Our Board, Management and Staff are involved in local organizations, serve on local boards and support local events and activities.
- 4 We're well capitalized.** Staying well above the regulatory minimums is not only comforting to depositors, but it also leaves us well positioned to continue growing.
